The diagram illustrates two test methods calling a common method. On the left, two white rectangular boxes represent the test methods: 'es.deusto.spq.gui.MainWindow Test.añadirPeliculaBD' and 'es.deusto.spq.jdo.Vehiculo Test.testSetGetDescripcion'. On the right, a gray rectangular box represents the target method: 'es.deusto.spq.jdo.Vehiculo.set Description'. Two blue arrows point from each of the left boxes to the right box, indicating that both test methods invoke the 'setDescription' method on the 'Vehiculo' object.
