The diagram illustrates a dependency or relationship between three Java classes. On the left, there are two source boxes. The top box contains the text 'es.deusto.spq.util.Prepared DataTest.crearParkingTest'. The bottom box contains the text 'es.deusto.spq.util.Prepared Data.main'. On the right, there is a single target box with a gray background, containing the text 'es.deusto.spq.util.Prepared Data.crearParking'. Two blue arrows point from the right side of each source box to the left side of the target box, indicating that both source classes depend on or interact with the target class.
